indranil-dutta-developer

As a motivated and detail-oriented student, I bring a strong foundation in computer science with a focus on algorithms, data structures, programming languages and software development methodologies. Through hands-on academic projects, I've honed my coding skills and gained experience in collaborative team environments. Eager to apply my theoretical knowledge to practical scenarios, I am seeking a software engineering internship where I can contribute innovative ideas, learn from seasoned professionals, and actively participate in developing impactful software solutions.

EDUCATION

Bachelor in Technology in Computer Science
MAKAUT, GPA 8.45 (up to 6th Sem), June 2024

Diploma in Civil Engineering
WBSCTVESD, GPA 8.3, August 2018

Higher Secondary (12th)
WBCHSE, Percentage 63%, 2014

Secondary (10th)
WBBSE, Percentage 75%, 2012

TECHNICAL SKILLS

HTML – CSS - JavaScript – React

Python - Node JS – Java Basic

MongoDB - MySQL

Git – GitHub - Postman

Google Cloud Platform Basic

PROJECTS AND TRAININGS

Cloud Bootcamp - Sponsored by Google for Developers
GeeksforGeeks – Oct 2023

- Acquired a foundational understanding of cloud computing, core infrastructure components in GCP, storage options, networking, and identity and access management (IAM).

Roommates and Room Rent finder web app
Final year college project

- Used React JS, NodeJS, MongoDB to create a web app to help people find rooms and roommates easily.

Agile Methodology Virtual Experience Program
Cognizant – Forage Platform – Aug 2023

- Learned about Agile Methodology and how it is implemented in software development.

CERTIFICATIONS

Understanding Basic SQL Syntax
Coursera – October 2023

JavaScript - Basics to Advanced step by step [2023]
Udemy - March 2023

The Complete ReactJs Course - Basics to Advanced [2023]
Udemy - July 2023

Python
Guvi – Aug 2023

2023 Core JAVA Bootcamp from Zero to Hero
Udemy – July 2023

PROFESSIONAL EXPERIENCE

Freelance Web Developer
From Jan 2023 - Present

- Design and develop websites (using HTML, CSS and JavaScript) according to client needs and provide support also.

HOBBIES

Reading Books

Learning New Technology

Graphic Design
